BIG BEAR MUNICIPAL WATER DISTRICT REPORT TO BOARD OF DIRECTORS

MEETING DATE: September 11, 2026

AGENDA ITEM: 5A

SUBJECT:

WORKSHOP DISCUSSION: AFTER-HOURS BANDING PROCESS

RECOMMENDATION:

The General Manager recommends that the Board discuss the After-Hours Banding Process and provide direction to staff.

DISCUSSION/FINDINGS:

At the July 14, 2026, Operations Committee meeting, Committee members requested that the After-Hours Banding Process be brought before the full Board for discussion. Subsequently, at the August 6, 2026, Board meeting, the Board requested a special workshop to further discuss after-hours banding opportunities.

Currently, the East launch ramps remain open until 30 minutes after sunset. In addition, Ordinance 51, Section 3-1.105(d), states: *"No vehicles or trailers shall be left overnight at District facilities."*

The committee discussed potential options that would allow late-night anglers and other lake users who remain on the lake after regular ramp operating hours to obtain an after-hours vessel band. Such a program could provide a mechanism for approved after-hours lake use while ensuring continued District oversight, regulatory compliance, and public access.

OTHER AGENCY INVOLVEMENT: None.

FINANCING: None.
